

cardinal and more: frank glanz in sonthofen

in the elaborate, old-master technique of oil glazing on wood fiber, the powerful works have emerged that frank glanz is currently showing in the sonthofen gallery gondolph-zink. the salzburg artist dedicates himself to themes of nature and humanity in these works, using impressive light and shadow plays and sometimes working with exaggerated representations. our photo shows "kardinale". the

exhibition by frank glanz at the gallery gondolph-zink, sonthofen-berghofen, salzweg 9, lasts until september 5th. It is open on saturdays and sundays from 10 a.m. to 12 p.m. and from 5 p.m. to 8 p.m.
